

Dear Home Church family,

Home Church has been richly blessed.

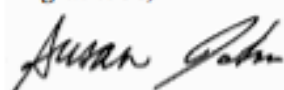

God gave us all that we have. And, all giving is an act of faith. Our church buildings, generously given by the generations before us, now require us to give in support of the generations to come. These urgent needs call upon us to give in faith.

This is an important moment in our life together. A thoughtful, year long process has brought us to this moment. Congregation Conversations, interviews, committee meetings, and forums for congregational input have been integral in the preparation of our Capital Campaign. Having listened intently, the planning team believes each of the projects listed in this brochure reflect and affirm the mission of Home Church.

The success of this Capital Campaign is absolutely dependent on each of our generous responses. Our needs are many and important. As you consider your commitment to the Capital Campaign, please give thought and prayer to what your act of giving will mean both now and for the future of Home Church. *It's Our Time. It's Our Home.*

Make your gift in faith.

In gratitude,
