New Hire at Home Church

Home Church welcomes **Wendy Fulp** as our new administrative assistant!
A native of our neighboring community of Walkertown, Wendy comes to us with more than 30 years' experience working and serving in churches.
Most recently she worked as Database Manager at a large local church. She enjoys learning about personality types, singing gospel music, reading (avidly), and writing (she is preparing to write her first book).
She and her husband, Darrell, have three adult children. Wendy is eager to learn more about the Moravian community and looks forward to a bright future with Home Church. Wendy begins her work with us on Monday, April 7.
Stop by the office and say hello!
