LETTER OF GRATITUDE

**To the Albania Task Force and all dedicated sisters and brothers
involved in Art for Albania 2025**

Dear friends, sisters and brothers,

On behalf of the Moravian Church in Albania, we wish to extend our deepest and most heartfelt gratitude for the continued blessings you have brought to our church in Bathore through your organization of *Art for Albania 2025*.

We are fully aware that the event itself lasted only a single day, yet we know that behind that one day lie countless others filled with hard work, careful planning, organization, generosity and tireless effort. Each of you has generously dedicated your precious time, energy, and talents for our benefit, and for that, we are always thankful and deeply appreciative. Your commitment has been a true blessing to our congregation, and the positive impact of your efforts is felt in ways that words cannot fully capture. Please know that your dedication and generosity are recognized, valued, and cherished by every member of our church.

We would like to offer a special and heartfelt thank you to Sister Ann Radford, who never grew tired of communicating with us. She consistently maintained open and patient contact, keeping us informed about every detail. Her dedication, attentiveness, and unwavering commitment have been truly invaluable to us.

Equally, we extend our deep gratitude and appreciation to Brother David Piner, Chair of Art for Albania 2025, who, even at the conclusion of the event, took the time to write to us with such warmth and care. His thoughtful words and loving attention left a lasting impression on us and reminded us of the personal commitment and heart behind every effort made for our church.

As Ann mentioned, we heard wonderful things about the amazing work done by Martha Veto and Ashley Sanders, and we truly appreciate everything they did. Even though we didn't get to work with them directly, it is clear they spent a lot of time and effort before and after the show, especially with the records and accounting. We are really thankful for their dedication and professionalism, which helped everything run so smoothly. It is inspiring to hear how much they contributed and the positive difference they made behind the scenes.

We also want to give a big thank-you to all the volunteers who helped make the event such a great and successful experience. From what we have heard, their teamwork, enthusiasm, and willingness made a real impact.

We recognize that no words of thanks could ever express the depth of our gratitude. So many hearts and hands contributed tirelessly to make this day a reality, and we hold deep appreciation for every key person involved in organizing *Art for Albania 2025*. If there is anyone whose name we have not mentioned, we humbly ask for forgiveness, and want you to know that your dedication, love, and service are truly valued by all of us.

With sincere thanks, and with prayers that the Lord's blessings and favor be upon you always.

In the love of our Lord and Savior,

Dena Fortuzi
