Faith Alive! *God Loves Me* Stories

God Loves Me provides 52 storybooks designed for children ages 1-3 years old. Each book retells a Bible story in simple language that young children can understand, has a prayer, and suggestions for learning through play activities.

Stories from both the Old and New Testaments include God's creation, Abraham, Hannah, David, Simeon, Anna, Peter, Jesus' life and ministry, and Paul.

In the Bible, we learn how God works through ordinary people in extraordinary ways. Through the Bible, children learn God's good news and come to know Jesus.

Children's Church

Children aged 4 through third grade

CE106 CE Building Main Floor

10:20-11:15 Sunday Morning

Children aged 4 through the third grade leave worship at the designated time to attend Children's Worship. Children's Ministry workers escort the children to the CE building from the Sanctuary.

Godly Play, the curriculum used for Children's Worship, is an experiential workshop model based on the Montessori method. A Bible story is presented, using pieces that the storyteller uses as the story unfolds. Children then reflect on that story using art, writing, or story pieces.

Children Worship Bags

Sanctuary Vestibule

10:00 – 11:00 Sunday Morning

Recognizing that children are active learners, and that they are fully involved in the life of this congregation, children are welcome to be a part of weekly worship. Worship bags provide lectionary-based activity sheets as well as drawing and manipulative opportunities for them. Bags may be left in the pew when children exit worship.

Children's Choir

Children aged 5 through 12 years old

CE 106 CE Building Main Floor

10:45-11:15 Sunday Morning

Recognizing that children love music and participating in worship & praise, Children's Choir offers children ages 5 to 12 years old the opportunity to understand God through music and experience worship. It provides a deeper appreciation for truth communicated in an artistic context, instilling spiritual concepts through rhythm, rhyme, and repetition, locking the information in the brain for a lifetime. Children's choir meets intermittently throughout the year during children's worship.

Children in Godly Play will be picked up by their Power Hour teachers and taken to their classes at 11:15. Parents may pick them up in their classrooms at 12:00.
